

# **Aluminum Electrolytic Capacitors**

## Capacitors with screw terminls – Overview

Date: December 2019

## Overview

Upper category temperature °C	Series	Useful life h	Features	Applications	V <sub>R</sub> V DC	C <sub>R</sub> µF	Page
Low-voltage series (B41...)							
+85	B41456 B41458	> 12000	Compact, long useful life	Professional power supplies	16 ... 100	10000 ... 680000	
+105	B41560 B41580	> 3000	Very compact, high ripple current	Professional power supplies	25 ... 100	6800 ... 330000	
High-voltage series (B43...)							
+85	B43701 B43721	> 5000	Standard	Uninterruptible power supplies, frequency converters	350 ... 450	1200 ... 12000	
	B43712 B43732	> 10000	Long useful life	Frequency converters, wind power converters, solar inverters, uninterruptible power supplies, professional power supplies	350 ... 450	1000 ... 18000	
	B43703 B43723	> 12000	Very compact		350 ... 500	1000 ... 22000	
	B43707 B43727	> 12000	Ultra compact		400 ... 450	1800 ... 18000	
	B43704 B43724	> 12000	High ripple current		350 ... 550	820 ... 22000	
	B43705 B43725	> 12000	Outstanding ripple current		350 ... 450	1000 ... 18000	
	B43713 B43733	> 15000	Very long useful life, high ripple current		200 ... 500	820 ... 33000	
	B43700 B43720	> 8000	High voltage, high ripple current		550 ... 600	680 ... 10000	
+105	B43742 B43762	> 5000	Standard		Power electronics, traction, professional power supplies	350 ... 500	820 ... 22000
	B43743 B43763	> 6000	Very high ripple current	350 ... 500		1000 ... 18000	
Accessories (ring clips, screws, cap nuts, insulating parts)
